

**OFATV**  
Ontario Federation of All Terrain Vehicle Clubs

December 22nd, 2017

## **Inter-Provincial Agreement Reached between OFATV and PEI ATV Federation**

The Ontario Federation of All-Terrain Vehicle Clubs (OFATV) and Prince Edward Island ATV Federation (PEI ATV) are pleased to announce that they have reached a reciprocal agreement to recognize each other's trail permit/membership making travel in each jurisdiction easier and less expensive.

This cross border partnership is a result of strong relationships formed by each association through membership in the All-terrain Quad Council of Canada (AQCC) and recognizes the will of our clubs and members to strive to be great friends, neighbours and partners.

The agreement allows each association to recognize the annual / seasonal permit/membership of the other, however, member's/permit holders are required to follow all provincial rules and regulations along with any provincial land use stipulations and policies.
